Sir Robert Falconer,
President, University of Toronto,
Toronto,
Ontario.

Dear Sir:-

I am writing on behalf of my son, W.G. McCormack, who has completed his third year as student in medicine, and who is desirous of returning from overseas to complete his course.

My son understands that the same course followed in 1916 will apply to 1918, and that students will be given the opportunity of taking a summer course, commencing about May.

He enlisted with the Royal Flying Corps and went overseas in April 1917, has since transferred to the Navy, and after serving a course in Haslar Naval Hospital, is now serving on a Destroyer in the Mediterranean, and is there quite out of touch with the University.

If there is to be a summer course, I would like to notify my son in good time to apply for a leave, and reach Toronto in time. If not, I will advise him to make his application for leave in time to take up his studies at the commencement of the next fall term.

If it has been decided to have a summercourse, I would be greatly obliged if you would let me know, at your earliest convenience.

Thanking you, I am,

Yours very truly,

W.H.M. McCormack

Dear Mr. McCormack:

I have just received your letter and I am sending it to the Secretary of the Faculty of Medicine, asking that if anything be done for students of his class your son may not be overlooked.

With kind regards, I am,

Yours sincerely,

Dear Sir:-

Furthering my letter of recent date, concerning my son, W.G. McCormack, in making application for leave to return to his studies, should he act in conjunction with the University as I understand that the University make some representation to the Army and Navy?

Yours truly,

W.H. McCormack

Dear Mr. McCormack:

I would advise your son to make application for leave because the University itself cannot formally apply for any individual. All that we can do is to certify what standing we can give to any student and the length of time required for him to complete his course. I think that your son should apply at once.

Yours sincerely,

President.
